

A SELECTION OF FEEDBACK QUOTES FROM THE TEACHING AND SUPPORT TEAM AT HHC - JAN/FEB 2021

"Perfect for adding into classes." (ClickView)

"Looks like a really useful resource - will look forward to utilising in my classes" (ClickView)

"It was a really good session with a good pace - I think it might be worth giving people an opportunity to have a go and then having a Q&A session, maybe before Easter, that people can attend if they are having issues with it." (ClickView)

"ClickView could be very useful when responding to a learner's digital context." (ClickView)

"Really useful training again, these sessions are really helpful." (ClickView)

"Very comprehensive and easy to follow, looking forward to having a go and saving a rainforest."
(ItsLearning Assignment Tool)

"More itsLearning training for novices who have not used it before. I think the videos on the College HUB are great please continue doing them." (ItsLearning Assignment Tool)

"Very good to be able to see two members of staff collaborating as though it was teacher and student interacting." (ItsLearning Assignment Tool)

"Useful information, will use to support my learners." (ItsLearning Assignment Tool)

"I am going to use this in some of my classes." (Nearpod)

"I would like more online resources training." (Nearpod)

"This session was very helpful; I had already tried Nearpod, but now have a better understanding of it." (Nearpod)

"Thank you for the informative and interactive session. Well structured, to the point, excellent hosts."
(Nearpod)

"Great training look forward to using teams more." (Teams)

"Hosts very knowledgeable and helpful, presented very well." (Teams)

"It will help me to support my learners in an effective way." (Teams)
