

Student Notes:

A02 - Fluent task outcomes:

- To identify examples of language features in an unseen text
- To develop knowledge of how to structure a language exam question (AO2)
- To evaluate how the writer uses language in a piece of text

Connect	Identify language features used in given example (powerpoint slide 3).
Demonstrating knowledge	Watch the following video clip of 'The witches' https://www.youtube.com/watch?v=9nlhmJF5FNI (powerpoint slide 4) Then read the short extract from Roald Dahl's novel 'The Witches' using the language analysis worksheet (page 1). Annotate the witches extract, identifying the given language features/word types (powerpoint slides 5- 7 supports this section).
Independent task	Complete a language analysis exam question using your annotations of the witches extract and the 'how to' structure a language exam question guide on powerpoint slide 9 .
Review	Use the Q2 mark scheme to self-mark your answer and identify areas of success and areas for improvement (powerpoint slide 10). <i>Links to further revision:</i> https://www.youtube.com/watch?v=D0nX2ElfBIY
