COMPLETE THIS ACTIVITY IN YOUR BOOKLETS

1. A question asked directly to the reader that doesn't require an answer.
2. A word or phrase repeated to create effect or impact for the reader.
3. Attributing human emotions to something that isn't human to create an effect for the reader.
4. A descriptive technique that compares one thing to another usually using 'as' or 'like'.
5. Words or sentences used to bring about an emotional reaction from the reader.
6. Words that sound like what they mean.
7. A descriptive technique that names a person, place or thing as something else.
8. When two or more words, in the same sentence, start with the same letter to create an effect for the reader.
